
QUANTUM ADVISORY Open Day Invite

13 MARCH 2018

Would you like to know about actuarial roles in Pensions and Investment?

Our open days offer you a chance to visit our Cardiff office and find out.

We'll give you an overview of the work we do, actuarial and investment qualifications and the options available.

You will meet some of our team and our actuarial and investment students who can share their experience of working at Quantum.

There will be opportunities for you to ask questions and by the end of the day you will have gained an insight into the world of pensions, investment and Quantum.

Our next Open Day is **13 March 2018** and places are limited to a maximum of **12** on a first come first serve basis. If you would like to attend, please email Tessy Matthew at tessy.matthew@quantumadvisory.co.uk to confirm your interest.

Final details will be emailed to all attendees in advance of the day and we plan to hold further open days in the future, so if you are interested but unable to attend on this occasion, please advise us and we will contact you when the next open day is arranged.

Should you have any queries please call
029 2010 5108 or email Tessy Matthew as above
