SOLICITOR

EVER WONDERED WHAT LIFE AS A TRAINEE SOLICITOR WAS LIKE?

This workshop is your chance to get some insight. We will explore in sessions:

- The role of a trainee in typical deals
- An understanding of how law firms operate as businesses to be profitable
- The role of business development and finance in law firms
- What commercial awareness looks like 'in practice' to a lawyer

Plus an opportunity to complete simulated trainee tasks, with feedback from solicitors.
